TIGER RAG

Canning, after a good start, once again suffered defeat by the improved Thornlie side. The Reserves played their best game of the season but it suffered defeat in the closing minutes.

In the League game Canning started soundly but did not continue their form from last week. In the end Thornlie proved too strong for Canning.

Craig Nock once again produced great football and soundly beat his opponent. The Club is hoping his form can continue. John McGurk, Graham Dugmore and Paul Polsen tried hard all day but a few players cannot win games.

Other battlers were Neville Vellacott, Bill Archibald and Peter Forrest.

The Reserves played brilliantly for three and a half quarters but could not finish on in the closing minutes to take out victory. Their effort looks encouraging. Alan Barnes and Ray Hill played a good sound game in the backline and the two held up many forward moves of Thornlie. Tom Burford, Ross Cowin and Peter Ensil also played strongly all day.

Today's game against Kwinana — we will have to improve on last week's games to ensure a much wanted double. Let's hope all the players can pull together and cause a big upset for the season.

THE TIGER

"THE BULLS ROAR"

Both Bulls teams scored impressive victories against Kelmscott last Sunday.

The Reserves game proved to be a tough encounter with the scores being level at half time. However, after the long break, our players produced a much better display of teamwork and desperation, and showed more desire to win the ball. This enabled us to draw away from the opposition and eventually win the game by five goals.

In an even team effort, those to show out were Tony Hynam, Mopsy Richardson, Allan Riley, Rock Butler and Denis Bullied.

The League encounter turned out to be a one sided affair with the overall strength of Maddington too much for the Kelmscott team. With the following division winning many kicks around the ground, our half forward line firing and the backs combining well, the Bulls went further ahead as the game progressed and coasted to a ten goal victory.

Best players were Denis Cometti, Colin Marshall and Jim de Carlo with serviceable games from Stan Brice, Doug Bushell and Ross Palmer.

CONGRATULATIONS — are extended to Heather MacPherson and Les Jarvis who announced their engagement on 10th June.

WELCOME BACK — to Rick Butler who arrived home recently after a long absence.

IMPORTANT — all Colour TV Raffle Tickets should have been handed to our fund raising chairman Garry Maskell by 17th June. If your book is not yet handed in, could you do so immediately. member the four highest ticket sell receive a digital-clock-radio.

Finally, make sure you at the Cabaret on the 4th July to witness the drawing of this wonderful prize.

WICK'S WEEKLY

A win by the League side last Sunday means that they are now in the four, one game clear of Thornhill and Kelmscott.

It is now hoped that we can keep on winning and consolidate our position.

Kenwick took time to get mobile last week and it was the third quarter effort when we kicked eight goals that won us the game.

To Mandurah's credit, they came back strongly in the final term, however, we still won by twenty points.

All players contributed towards the victory however, there were players who stood out with strong individual performances. These were Brian Thompson on the wing, Graeme Nicholas on the ball and in the forward line and both John Hart and Barry Nicholas in the back line.

What can be said of the Reserves' performances. NOTHING, other than that it was probably the worst performance put up by a Kenwick Reserves side over recent seasons. There was no fight in our boys' game and Mandurah who wanted the ball at all costs, thoroughly deserved their win.

Mention should be made of the umpiring exhibition in the Reserves game. It was possibly the worst ever witnessed in the competition.

Players who battled hard for the Royals were Kenny Staines, George Pomesback and John Oliver.

It is hoped that with the return of the dozen or so injured players back into the sides, the efforts of both sides improve greatly.

Wins in today's games against Kalamunda are a must for the following reasons:—

1. The League can consolidate their position in the four.
2. The Reserves must win to keep alive their hopes of finishing in the top two spots.

Don't let your supporters down fella's.
P.R.O.

KALAMUNDA KOUGARS

Congratulations Armadale on a game well won.

This match was played by both teams at a pace that thrilled the spectators and it was a credit to all players concerned.

Kalamunda — we have turned the tide and positive attitudes that are now prevailing indicate the improvement of the Club.

Bad luck on your injury Eddie, we missed you last week.

SNAPSHOTS

Excellent game at half forward by Ossie Hatwell, some of his marks were gems.

Bruce Leaver again proved his football ability with a solid all round performance.

Glenn O'Rourke was another first year player to play his first full match. Great game Glenn, we will see a lot of football from you for years to come.

Graham Watson roved to perfection, hope you recover from your serious leg injury soon — we need you with us.

Reserve players, Bob Walker, Neil Price, Gary Gaetside and Gary Ewan showed positive attitudes in the earlier game.

It is rumoured that Ian Butcher and Dianne are engaged, now we know the reason for the "Stay-Fresh" look, Butch. Congratulations to you both from all of us.

Kenwick, we are after your hides today.

"IN THE LIONS LAIR"

After the victory against Canning last week, a couple of the boys were overheard asking if any of the Thornlie members had run over a Chinaman last week.

With the run of bad injuries we have received during this year it appears the Lions are just not meant to gain a place in the final four.

Adding to the already long list are three more casualties from the game against Canning. (Ed Kavanagh, bad gash above the eye requiring stitches; Gavin Denton, broken nose; and Mark Murphy, possible severe concussion requiring hospitalisation.

Getting back to the games played last Sunday it was good to come home with a "Double".

The League game was a real battle, very physical, with the standard of footy only average. Thornlie won the game through having a stronger ruck and more system in their forward line. There was never a stage during the game that Canning looked dangerous and even with 17 men left on the field in the last quarter the Lions coasted to victory.

BEST PLAYERS LEAGUE: Fred Seignor, Ron Brown, Graham Bancroft, "Make-shift Fullback" Ray Dalton and Greg Jewell.

The Reserves was a bit closer with the Lions coming from behind to win fairly comfortably. At this point, I would like to mention that most of the Reserves should take stock of themselves and look at who is giving 100 minutes each week and who isn't. Watching the game it was quite obvious that the Lions should have won by a street, but because of only a few real goers in the side it became a struggle. So come on you reserves, let's see everyone give J.T. total commitment.

BEST PLAYERS RESERVES: Harry Miles, Ross Chappell, Geoff Steele and Rex Lovis.

Today we meet Mandurah at home (for a change) and with our first victory for a number of weeks under our belt the Mighty Lions should continue on in a winning mood. Thornlie welcomes you Seasideers to the Club and don't forget to stay back after the game for a social drink or two.

Remember our aim, you Lions, 9 in a row, 8 to go.

It was pleasing to see Miles O'Connor at the Club last Sunday Night socialising with the members.

SOCIAL NOTES

BUCK'S NIGHT: To be held at Thornlie Clubrooms on July 4th, 1975. Tickets \$3.00 each. 2 Strippers, good entertainment, liquid refreshments on sale.

DEMONS DIGEST 'COME ALIVE - IN 75!'

Today, we make our shortest journey for an away match, by travelling less than three miles up the road to the John Dunn Community Centre oval, home of our local rivals Kelmscott, the Bulldogs. Their new ground and facilities must rank as the best in the league, their caretaker's not bad either!

At Kalamunda last week, the Club recorded a winning double, its first for the season. Kalamunda for their part, made the Demons work hard for both their wins. The Reserves scored their first clear cut win of the season with a much improved display of teamwork, and play-on football. Foremost in their efforts were, 'Willie' Willison, Jimmy Guthrie, Garry Turner, 'Joco' D'Agostino, Frank Gajda, and 'Wilko' Wilkerson. 'Porky' Markham and Billy Scanlan made their first game for the season in this game. Good to see you back fellas.

The League side, running hot and cold right up to midway in the final quarter, the lead changing hands several times, suddenly and finally put it all together and pulled away in a six goal burst to put the result beyond all doubt.

Like All, they 'floated like a butterfly and stung like a bee,' instead of trying to stand toe to toe and mix it. Watch out if we ever acquire the 'All Shuffle!'

Johnny 'Mac' McHenry again played superbly, the man of the match. Matt O'Mara continued his vastly improved performances of the last few weeks, and Kenny Thorn's performance rightly earned him high praise from the coach, David Scott.

Allan 'Flyer' Narkle never gives up trying, his goal tally emphasises this only too clearly. New players from the Reserves in the League side, 'Rascal' Pascall, Colin Gueff, 'Fish' Heron, 'Shorty' Knezevich and Colin Towers all acquitted themselves well. The return of 'Griffo,' Peter Griffiths, showed us all how to bounce back with sweat and effort.

'Shorty' Knezevich pulled down a screamer mark in front of goal in the second quarter, to which yours truly, acknowledge it by calling out at the top of his voice, the nickname that is more commonly given to 'Shorty.' For the love of me, I can't quite remember what it was. It was 'Knickers,' or something like that!

BULLDOGS BULLETIN

Last Sunday saw our first loss at John Dunn Park.

Firstly, our Reserves were defeated by Maddington in a very good game. The scores were level at half time but 'The Bulls' kept applying pressure and finally were able to score 4 quick goals which gave them enough break. Although our boys fought it out to the end Maddington held on to their 4 goal advantage.

BEST PLAYERS: Kevin Slodeckl, Percy (Emu) Hansen, Ian Clark, Lindsay Tann and Neville (Nobby) Rose.

The League encounter was a hard fought affair, consequently the game was poor as a spectacle from the spectator's point of view. After an even first quarter, Maddington slowly got on top through their rucks and rovers, created the loose man to perfection resulting in a comfortable win for team.

Please remember our 3 C's
CONFIDENCE — CONCENTRATION and COURAGE.

We will not say much about the umpire — enough said!!

BEST PLAYERS' Tony (K-I-I-I-g-r) Hilderbrandt, Barry Cribb and Eric Buckingham.

Our congratulations to David Lucich and Marie Porter on their engagement.

Okay! Today's another day — another game. Let's all buckle down and see if we can get back on the winning list.

Today's encounter against Armadale is a **MUST** double for the **BULLDOGS**.

THE KNIGHTS' NOTES

After eight straight wins last week's defeat at the hands of Gosnells was a bitter pill to swallow. Still it is very hard to maintain top form for such a long period and this may have been a blessing in disguise. It appears certain that we will probably meet Gosnells again this year if we are to win a Premiership and if we are worthy of top honours then we will show the spirit to overcome such a setback. We must develop the right frame of mind to enable us to defeat ANY side on ANY ground.

Right from the start of last week's game our side didn't function well and yet were still able to lead at half-time. However, it was disappointing to see us overrun so easily in the second half.

BEST PLAYERS (harder to find this week):

RON CAPORN — determined display.
FRANK LEGENA — another great game.
DON BASKERVILLE — battled hard.
MURRAY LLOYD — great trier.

MIKE INDICH — returning to form.
The Reserves were again soundly beaten. It is hard to work out why they aren't going well but after speaking to several of the more experienced players it appears that team spirit is lacking. How about you fellows buckling down today and producing the football of which you are capable. Best players were Garry Frazer, Henry Eikhoudt and Keith Sweetman.

PLAYER OF THE WEEK

Mick Indich is another of our "local lads" who were with the Club in the North Murray Association. Mick is a brilliant footballer who should have played League. He has won a club falrest and best award several times and is equally at home at centre, centre-half-forward or in the backline. Mick is a prodigious kicker of the ball. This season hasn't seen Mick uite at his brilliant best but he has had a back injury for some time and his performances under the circumstances have been most meritorious.

SOCIAL NOTES

Thanks to everyone who has assisted in our appeal for Ross Tuttlebee. A very special thanks to the ladies for helping prepare the supper for the East Fremantle function.

Don't forget the Independence Day Dance on July 4th. The group is The Dove and for \$3.50 a good night can be had by all. (Price includes drinks.)

Today we play Canning and a win in both grades is an absolute must so that we can prove last week's form all wrong.

QUOTE OF THE WEEK:

Whether at training or in a match a footballer must give the game ALL he has.

KING ARTHUR

THE HAWKS WILL STRIVE IN '75

The Club's depth in players was amply illustrated last Sunday when both League and Seconds recorded convincing wins against the greatly improved Kwinana sides.

The Seconds victory was clouded somewhat by a severe shoulder injury to Nick Pasnicki. We look forward to his early return to the playing field.

Perhaps the best of a very even team were Kevin Little, Brian Antunovich, Graeme Campbell and Adrian Drew. The big test of course comes today. However if the players can display the same dedication and application they have been showing in recent weeks then Maddington's unbeaten run could come to an end.

What can you say, other than good things, about a side that had the ability to beat a team such as Kwinana by the handsome margin of fifty four points.

In the first half good players were a little hard to find but after half time it was a side that fairly bristled with stars.

Len and Barry Marsh were both brilliant, particularly so in their use of the ball; Alf Oldenhoff continued to play well when shifted from full back to the ruck and Dick Morphet played his best game for the club. Roy Minson, Gerry Green and Don Sloper all played well throughout and Jethro Reynolds gave the forward line a big lift in the second half.

We've now played two big games in a row and today's match against Maddington is guaranteed good entertainment.

The Hawks are flying high and a win today would see us perched at the top of the ladder — where we belong.
